## Fund Sub-Adviser | DEBT SLEEVE

Barrow, Hanley, Mewhinney & Strauss, Inc. (BHMS) was founded in 1979 as a registered investment advisor, and has provided investment advisory services to institutional and individual investors since that time. BHMS is a subsidiary of BrightSphere Investment Group, a publicly-held company traded on the New York Stock Exchange.

## Objective

The investment objective of this Fund is to provide total return through a combination of growth and income and preservation of capital in declining markets.

## Strategy

- The Fund targets a 60% allocation of its assets in Timothy Plan High Dividend Stock ETF.
- The Fund targets a 40% allocation of its assets in a diversified portfolio of corporate bonds, U.S. government and agency securities, convertible securities and preferred securities. The Investment Manager will only purchase securities for the Fund that are investment grade, with a rating of at least "BBB" as rated by Standard & Poor's or a comparable rating by another nationally recognized rating agency. Bond funds are not FDIC insured, and are subject to yield and market risk as the interest rates fluctuate. The degree of risk of a security may not be reflected in its credit rating.

## Fund Risk

This fund invests without regard to company size and each size, large, mid, and small may each result in greater risks than the other two. The Fund invests in debt instruments which increase and decrease based on the prevailing interest rate movement, therefore the debt instruments will decline in value if the interest rates increase. There is also risk that the issuer will default and not make payments when due, resulting in a quality decline, and decline in value.

PLEASE SEE THE FUND PROSPECTUS FOR A COMPLETE EXPLANATION OF THE RISKS INVOLVED WITH EACH FUND. Risk chart is for illustrative purposes only.

**Past performance does not guarantee future results. The performance data quoted represents past performance and current returns may be lower or higher. The investment return and principal value will fluctuate so that an investor's shares, when redeemed, may be worth more or less than the original cost. To obtain performance information current to the most recent month-end, please call the Fund at 800.846.7526.**

**BEFORE INVESTING, CAREFULLY CONSIDER THE FUND'S INVESTMENT OBJECTIVES, RISKS, CHARGES, AND EXPENSES OF THE INVESTMENT COMPANY. A PROSPECTUS IS AVAILABLE FROM THE FUND BY CALLING 800.846.7526, VISITING [FUND.TIMOTHYPLAN.COM](http://FUND.TIMOTHYPLAN.COM), OR YOUR FINANCIAL PROFESSIONAL THAT CONTAINS THIS AND OTHER MORE COMPLETE, IMPORTANT INFORMATION. PLEASE READ IT CAREFULLY BEFORE INVESTING OR SENDING MONEY.**

Because the Timothy Plan Funds do not invest in excluded securities, the Funds may be riskier than other funds that invest in a broader array of securities. There are risks when a fund limits its investments to particular sized companies, and all companies are subject to market risk.

Investing involves risk, including the potential loss of principal.
