Strategic Growth

Fund Adviser

Timothy Partners, Ltd. ("TPL"), the Adviser to the Trust handles the day-to-day asset allocation of the Fund.

Objective

The investment objective of the Fund is to generate medium to high levels of long-term capital growth.

Strategy

The Strategic Growth Fund is an asset allocation fund that invests in other Timothy Plan funds (the "Traditional Funds"). Within the guidelines set forth in the prospectus, the Adviser determines the specific asset allocation of the Traditional Funds. Each day the Strategic Growth Fund is open for business, the Adviser reviews the asset allocation program and reallocates, as necessary, for any new assets invested in the Fund. As necessary, TPL also reallocates the Strategic Growth Fund's investments in the Traditional Funds at the end of each fiscal quarter to maintain the asset allocation program.

Fund Risk

The Strategic Growth Fund is a fund of funds, therefore it is subject to the risks associated with each of the traditional funds and ETFs in which it invests. Because it invests in domestic equity funds and ETFs, it is subject to the specific risks associated with investing in the stock markets, including cap sizes, sector risk, and name selection. It also invests in funds and ETFs comprised of foreign securities; therefore it is subject to the stock risks plus the risks of the foreign exchanges' rules and trade volumes, the foreign governments' actions, and the exchange rates. The Fund invests in traditional bond funds and is therefore subject to the risks associated with yield changes, asset backed securities, credit risks, and sector risk.

PLEASE SEE THE FUND PROSPECTUS FOR A COMPLETE EXPLANATION OF THE RISKS INVOLVED WITH EACH FUND. Risk chart is for illustrative purposes only.

Past performance does not guarantee future results. The performance data quoted represents past performance and current returns may be lower or higher. The investment return and principal value will fluctuate so that an investor's shares, when redeemed, may be worth more or less than the original cost. To obtain performance information current to the most recent month-end, please call the Fund at 800.846.7526.

BEFORE INVESTING, CAREFULLY CONSIDER THE FUND'S INVESTMENT OBJECTIVES, RISKS, CHARGES, AND EXPENSES OF THE INVESTMENT COMPANY. A PROSPECTUS IS AVAILABLE FROM THE FUND BY CALLING 800.846.7526, VISITING FUND.TIMOTHYPLAN.COM, OR YOUR FINANCIAL PROFESSIONAL THAT CONTAINS THIS AND OTHER MORE COMPLETE, IMPORTANT INFORMATION. PLEASE READ IT CAREFULLY BEFORE INVESTING OR SENDING MONEY.

Because the Timothy Plan Funds do not invest in excluded securities, the Funds may be riskier than other funds that invest in a broader array of securities. There are risks when a fund limits its investments to particular sized companies, and all companies are subject to market risk.

Investing involves risk, including the potential loss of principal.
