

# Engaging the Culture

We believe a company that strives to offer scripturally-sound mutual funds can do more than just screen companies that stand contrary to our ethical beliefs. Investing with Timothy Plan is more than just investing for retirement or education. Each dollar invested allows Timothy Partners, Ltd. (TPL) to promote the mission of building the Kingdom. TPL helps support organizations that are on the front lines, helping our great nation stay true to the vision of our founding fathers of maintaining a moral and supportive community, through ministries that focus on:

- Ending abortion with the support of legislation, pregnancy centers, and community outreach.
- Fighting for stricter laws and awareness of child labor and sex trafficking.
- Protecting the rights of Christians all over the world.
- Preparing biblical entrepreneurs as they enter the marketplace.
- Supporting family values in our culture's entertainment.

These charitable contributions come from the profits of Timothy Partners, Ltd., the advisor to Timothy Plan, and represent the act of business tithing. Please join us as we strive to bring you an investment that matches your morals, while also helping to positively engage the culture. TPL supports the following ministries, as well as various ministries not listed below:
